

CDSS Industry Nexus

The College of Computing, Data Science, and Society (CDSS) Industry Nexus connects industry members to skilled and career-ready talent.

About CDSS Industry Nexus

CDSS Industry Nexus connects industry partners to students and faculty in Computer Science, Data Science, and Statistics.

Through tailored career services, talent development, and networking opportunities, partners access top talent and innovations while aligning their goals with CDSS's expertise and student community.

Why Partner with CDSS?

Through CDSS Industry Nexus, industry partners can engage with students and faculty, driving innovation in data, machine learning, and artificial intelligence.

Your organization can enhance your visibility, shape curriculum relevance, and build an early talent pipeline to the next generation of data-driven leaders.

Portfolio of Services

CDSS Industry Nexus offers customizable services to maximize your impact.

- **Career Services:** Targeted recruitment to 5,000+ students and alumni.
- **Talent Development:** Collaborate with CDSS students on research.
- **Networking:** Connect with students and faculty.
