

CDSS Industry Nexus

The College of Computing, Data Science, and Society (CDSS) **Industry Nexus** connects CDSS students to industry professionals through events, professional development opportunities, and personalized support.

About CDSS Industry Nexus

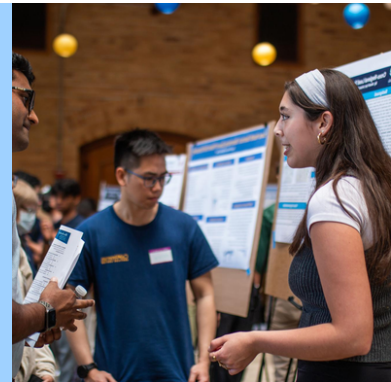

CDSS Industry Nexus connects undergraduate students to industry opportunities through tailored recruitment, talent development opportunities, and high-impact networking.

Students gain hands-on experience, mentorship and guidance, and pathways to internships and careers while working on research problems.

Eligibility

This program is open to any CDSS undergraduate student interested in connecting with industry opportunities.

We welcome students at all levels who are interested in building their career readiness profile.

Benefits

By participating in CDSS Industry Nexus, you will:

- Strengthen tools and skills aligned with your career goals.
- Apply your knowledge to meaningful, real-world projects with industry partners.
- Gain experience with emerging trends and practices.
- Build connections to professionals and organizations.
